

# Quality Analytics Associates, Inc.

## Mission-Focused Training & Workforce Support Services

Supporting Federal Readiness, Workforce Visibility, and Training Modernization

SBA Certified WOSB/EDWOSB | GSA MAS | SeaPort NxG | MDA Shield

### Federal Training, Analytics & Accessibility Support

Quality Analytics Associates, Inc. helps federal agencies strengthen workforce readiness, improve training effectiveness, reduce reporting burden, and support data-informed leadership decisions through integrated instructional support, workforce visibility, accessibility compliance, and operational reporting services.

QAA brings experience supporting federal and mission-focused environments through instructional systems design, curriculum modernization, LMS administration, training evaluation, workforce analytics, and Section 508 compliance.

### QAA CORE CAPABILITIES

#### INSTRUCTIONAL SYSTEMS DESIGN

Design mission-aligned learning solutions that support operational performance, workforce readiness, and measurable training outcomes.

#### CURRICULUM DEVELOPMENT & MODERNIZATION

Develop, update, and align training content with agency goals, learner needs, compliance requirements, and evolving mission priorities.

#### LMS ADMINISTRATION

Support learning management system implementation, administration, optimization, compliance tracking, and learner reporting.

#### TRAINING EVALUATION

Measure training effectiveness, learner performance, participation trends, and outcomes to support continuous improvement.

#### WORKFORCE ANALYTICS & REPORTING

Transform training and workforce data into dashboards, trend analysis, readiness indicators, and leadership reporting.

#### SECTION 508 COMPLIANCE

Review, remediate, and verify digital training materials and documents for accessibility, Section 508, and WCAG Level AA alignment.

### QAA THE QAA INTEGRATED APPROACH

#### TRAINING & WORKFORCE DATA

Capture data from LMS, systems, surveys, and compliance sources.

#### ANALYTICS & REPORTING

Integrate, analyze, and visualize data to deliver dashboards and trend insight.

#### LEADERSHIP INSIGHT

Deliver actionable information to guide priorities and resource allocation.

#### IMPROVED READINESS & MISSION OUTCOMES

Strengthen workforce readiness, compliance, and mission effectiveness.

#### RESULT:

- Better visibility.
- Smarter decisions.
- Stronger readiness and mission outcomes.

### QAA EXPERIENCE

#### U.S. Army Medical Center of Excellence (MEDCoE)

Instructor support and curriculum development for operational medicine programs.

#### Naval Surface Warfare Center Philadelphia Division (NSWCPD)

Workforce analytics initiative providing retention insights and data dashboards to improve employee engagement.

#### Office of Personnel Management Veterans Services Office

Section 508 and WCAG Level AA accessibility reviews, remediation guidance, and compliance verification for digital training materials.

#### Norwich Pro University

Instructor support and curriculum development for operational medicine programs.

Let's support your next training, workforce visibility, or accessibility requirement.
